from the Deputy Commissioner, Tan

reference from the President-Tan

deration of the orders already passe
re the purchase of a bicycle for
the said Deputy-

1) On a previous resolution
of the Tanbistrict Town and to purchase
a cycle for the use of the Collector's Dept
at the place, it was ordered that
their proposal cannot be sanctioned
vide paras 15 to 18 of the notes in the Encl
tion placed below.

2) The President-Tanbistrict Town
ML 66 has now stated that a cycle
would be very useful for quick des-
patch of office work and in checking
the smuggling of dutiable articles.

3) He has also stated that cycles are
being maintained in several other places.
The request of the Pdt-Tanbistrict and
to reconsider the question is doubtless
proper.

Re Purchase of a cycle for the Tumkur Town Municipality
---O---

With reference to your letter No L 8160/11 4-41-130 dated 10-3-42 and a reminder thereto on the above subject, I have the honour to state that the President, Hassan Town Municipality, who was addressed in the matter, states, that orders of Government seems to have not been obtained for the purchase of the cycle for the use of the Municipality, but the purchase was made on the strength of the resolution of the Council

The President states that it is very necessary to have a cycle without which the work of the office would be handicapped as the Municipal office is located at one end of the town and far away from the District Treasury and the Bank of Mysore and the District Office

As already recommended, I request that orders of Government may be kindly obtained in the matter
